SIMMONS'.

The symptoms
of Liver Com-
plaint are indis-
tinctness and pain
in the side. Some-
times the pain is
in the shoulder, and is mistaken for rheu-
matism. The stomach is affected with loss
of appetite and sickness, bowels in gen-
eral costive, sometimes alternating with
diarrhea. The head is troubled with pain, and
heavily, sometimes with loss of memory,
accompanied with painful sensa-
tion of having felt undue
something which ought
to have been done. Often
complaining of weakness,
debility, and low spirits.
Sometimes many of the above symptoms
attend the disease, and at other times
few of them; but the liver is generally
the organ most involved. Cure the Liver
with

Saddles and Harness.
The undersigned offers to the merchants
and farmers of Tennessee and the South,
the very best articles in Saddles and Har-
ness, for sale in East Tennessee, all of
home manufacture and warranted superior
to the general run of Eastern made goods,
while the prices are as low and in some
cases lower, than the same goods can be
bought at in the East. Employing none
but first class, skilled workmen, we ac-
knowledge no superior manufacturers. Or-
ders from any locality will receive prompt
and careful attention and be filled with
dispatch at satisfactory prices. We solicit
